SOME OF OUR PARTNERS

REFERENCES AVAILABLE UPON REQUEST

School groups

Tailor made-group programmes which can vary in duration to meet your needs.

The programme includes tuition, accommodation, a varied cultural programme and any other additional services requested such as transfers, insurance, exam preparation and special contents.

The teachers in charge are specialised in teaching Young Learners and will accompany the group to all cultural visits or excursions.

The offer always includes free half-board accommodation and Spanish classes for the group monitor and is available **all year round, starting any Monday.**

University groups

Make the best of our tailor-made programmes for university students. **The duration, intensity and content are adapted to the university's specifications.** CLIC ih offers Spring, Summer and Semester programmes. Other special modules, such as Spanish Literature and Cinema, Arabic Legacy or Spanish Culture and Civilization are also available.

There are many options, which include unaccompanied student groups joining Spanish classes with other international students or tuition in closed groups or a combination of both. Faculty-led programmes with part of instruction delivered by a faculty from the home university are also possible.

Semester Programmes with the University of Seville (15 credits)

It is a 15-week programme **available in Spring and Autumn**, consisting of a 4-week intensive Spanish course in CLIC ih Sevilla followed by studies at the University of Seville. Courses at the university are offered in Spanish and English.

Accommodation

Many accommodation options are available, including Spanish host families, residence halls and private apartments. All types of accommodation are in walking distance from CLIC.

Individual Applicants

Individual students can join our intensive Spanish classes **any Monday, all year long.** CLIC also offers DELE preparation courses, Business Spanish, Spanish for Health Professions and Internships in Spanish companies. The duration of the course can be from 1 to 40 weeks.

Spanish Teacher Training Programmes

Our Spanish Teacher Training Department offers methodology modules for future Spanish teachers. **The programme includes** tutored teaching practice with voluntary students. For more information, please visit www.clic.es/fele/

European Credit Transfer System (ECTS)

For all intensive Spanish courses at our three CLIC schools, students can obtain ECTS credits. These can be applied for at the school during the first course week. Our Spanish courses are recognized by the University of Castellón Jaime I (UJI), a public higher education and research centre. Depending on the level, students can obtain a maximum of 30 ECTS for their course.

Credits for US students

Many North American universities give direct credits for the Spanish courses at CLIC ih.

Transferable credits can be obtained through Benedictine College, Atchison, Kansas. These credits need to be applied for before inscription to the course.

Erasmus +

Course participants can apply for Erasmus + grants in their national agencies.
